Phil,

Myra is asking me to close out my time on GMH so the fees can be paid.

A condition of approval (as per the Town Law) is submittal of an improvement cost estimate. I have not received any estimate and they have been reminded to get them to me. It was a condition of the planning board approval.

I can not close out my fees until i get all the info required as conditions of approval.

Do you know what is up?

Mark
